

Dream Center Meals

- When:** The 2nd Tuesday of each month
- Where:** Media Ministries Dream Center, 16 W. Morgan Avenue, on the NE corner of W. Morgan and N. Main Street across from Bosse Field
- What To Do:**
- 1.) Choose a meal to prepare – typically includes a meat, a starch, a veggie and/or salad, chips and desert. All drinks are provided by the Dream Center.
 - 2.) Identify individuals who will gather/prepare the food
 - 3.) Identify individuals who will serve the food
 - 4.) Identify individuals who will clean up
 - 5.) On the day of the meal, please call Bill Shrugs at 455-6071 (cell) or 401-5558 Dream Center (after 2:00pm) to make arrangements to enter the building and set up for food preparation.
 - 6.) Save all food receipts and turn in to Tiffany Wynn for reimbursement
- It is typically takes between 4-8 individuals to complete the food preparation, serving and clean up. But all team members are encouraged to participate.
- The Dream Center has cooking facilities, including two outdoor gas grills for burgers, chicken and hot dogs, and two stoves with cook tops. Most cooking utensils and some general cooking supplies are on sight, but it is recommended if you absolutely need something to bring it.
- Meal Recommendations:** Most teams shop at either Sam's Club or GFS, both are located on Burkhardt Road and buy bulk products. You will be serving between 50-60 kids and most come back for second helpings. I know previous meals have been hamburgers, hot dogs and the last two meals where chicken casseroles purchased at Sam's and cooked on sight. Meal costs averages between \$80-\$100 but all teams are asked use your best judgment.
- Time:** Dinner is served at approximately 5:00pm and typically lasts for 1 hour with most clean up occurring immediately after the food is served. The activity typically is over by 7:00pm. Please allow for sufficient time to prepare the meal. I believe most teams allow 1-1½ hours for food preparation.
