

# Dream Center Meals

**When:** 4th Thursday of each month except November and December

**Where:** Media Ministries Dream Center, 16 W. Morgan Avenue, on the NE corner of W. Morgan and N. Main Street across from Bosse Field.

**What to Do:**

1. Choose a meal to prepare - typically includes a meat, a starch, a vegetable and/or salad, chips and dessert. All drinks are provided by the Dream Center.
2. Identify team members who will gather/prepare the food.
3. Identify team members who will serve the food.
4. Identify team members who will clean-up.
5. On the day of the meal, call the Dream Center 812-4401-5558 after 2:00pm to make arrangements to enter the building and set up preparation of the meal.
6. Save all receipts and turn in to GRK Treasurer for reimbursement.

It typically takes between 6-10 team members to complete the food preparation, serving and clean-up. All team members are encouraged to participate.

The Dream Center has cooking facilities: including two professional gas stoves w/6 burner tops and large oven each. There is also a gas fired grill (often needs cleaning) and a convection oven, all under a professional vent hood. Most cooking utensils and some general supplies are available, but if you need something it would be best to bring it (like paper towels).

**Meal** Most teams shop at either GFS or Sam's Club.

**Recommendations:** When shopping at GFS tell them you are with Kiwanis for tax exemption. You will be serving 60 elementary and 14 middle school students. Staff may or may not eat.

**Procedure:** Meals should be prepared by 4:45 PM for serving at 5:10 - 5:45. Meals are served in large "carry out" styrofoam containers located in the pantry room. There are slots for a large item and 2 sides. Do not serve desserts until the meal is consumed. Gloves must be worn for all serving/packaging.

**Please allow enough time to prepare the meal in order to be ready to serve.**

**Questions/Contacts:** Dream Center Office: 812-401-5558 or 812-455-6071 or Terry Davis 812-453-1376
