Today's speaker was our own **Steven M. Theising**, providing a 2021-2022 report on the Green River Kiwanis Foundation. This began in 2014 with a \$1500 donation from a former Memorial Key Club scholarship winner, wishing to pay her good luck forward. When it came to raising monies for the Eliminate Project, this made it easier to give tax deductible contributions, enabling GRK to raise more money. The aim is to grow the foundation slowly, about \$1000/year. The goal is to pay out no more than 4% of assets yearly and not draw on the corpus. Monies raised by our golf outing to benefit Riley are now run through this, making it easier for us to get larger donations. The account is invested with

**John Worthington's** company and as of 9/30/2022 was worth \$46,764.80. Funds in general will be used for scholarships (meaning that we can give more generous scholarships), club donations, anonymous donations, other projects, and as a type of insurance. By 2031-2032 **Steven** hopes the fund will be worth \$250,000, which would enable us to increase the monies GRK can donate to worthwhile causes. The slate of officers for the GRF Foundation was unanimously elected this morning, with **Steven M. Theising** continuing as president.

There will be no dinner-nights-out in November and December, so stay tuned for the announcement of the January location.

**Martha Seal** asked me to share this:

Please do not enter the sanctuary until the doors open a few minutes before the start of the meeting. Last minute tweets require concentration! Thank you.
